

**MOVIES:** Single & double features depending on length. This is being done to reduce the need for bathroom visits during longer shows.

**TICKETS:** Admission prices have not changed: \$10 per adult (age 12 and older) \$5 per child ( age 3 - 11). Purchase them at the ticket booth as usual.

**PARKING:** Only one vehicle is permitted between each speaker post and must be parked in the center of the space. We prefer that you sit or lay down inside your vehicle or pick-up truck bed. But, if you want to sit or lay down outside on the lawn, please do it only behind or in front of your vehicle, not on the sides. Turning your vehicle around and opening a hack-back is also permitted. No sitting or laying on the roof of your vehicle.

**MASK REQUIREMENT:** While away from your vehicle visiting the bathroom, picking up food at the snack-bar, or just stretching your legs on a walk, you **MUST** wear a mask that covers your mouth and nose. This is required by New York State law and must be adhered to. We don't want to be shut down because some of our patrons refuse to follow the New York State guidelines for reopening.

**SNACK BAR:** All sales must be done on-line at: [shop.hathawaysdrive-in.com](http://shop.hathawaysdrive-in.com) where you can order and pay using Pay Pal or any major credit/debit card. This is all new for us so **PLEASE** be patient and allow at least 45 minutes for your order to be completed. If you do not have the capability to order using our on-line system, you can call in your order at 518-212- 7750 and pay using a credit card. If you don't have a phone, you can also order in person and pay with cash or a credit card at the pick-up window. Please be aware that in person and phone orders may experience extended wait times. When you are notified that your order is ready, you can go to the pick up door to retrieve it. You **MUST** wear a mask that covers your mouth and nose to pick up your order.

**BATHROOMS:** Bathrooms are fully functional for more than one person at a time **BUT** you **MUST** wear a mask that covers your mouth and nose while in there. Bathrooms will be sanitized frequently during the night. We strongly recommend proper hand washing before and after using the bathroom. There will be an attendant available to facilitate these guidelines.

**LAST WORD:** This is a new world we now live, work, and shop in. Please be tolerant of the safety precautions outlined above which are for everyone's benefit. Please be kind, courteous, and respectful to other patrons and our employees as we all work through this new normal. We know it's not going to be as easy or as much fun as it was before this pandemic. But we will do much better if we all chill out a little and count our blessings.

Thank you.
